To Whom It May Concern:

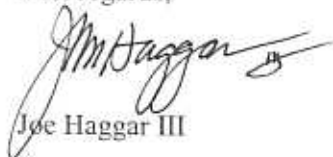

I would like to make you aware of a lady by the name of Gail McWilliams. Gail is a businesswomen, a mom, wife and an inspiration to all of us at Haggar.

The reason she was so inspirational was her talk she gave to our Corporation (Haggar Corp.) to help kick off our United Way efforts here.

It wasn't until the very end of her speech did I realize she was blind! Gail told "her story" and once she finished we all realized that we could always take a negative and turn it into a positive.

If you are looking for an intelligent, entertaining and motivational story, I highly recommend letting Gail tell hers.

Best regards,

Joe Haggar III
