To Whom It May Concern:

I have known the Tony McWilliams Family of seven from the time Tony became our Human Resources Director here at Christ For The Nations in June, 2000. Not only has he served well above our expectations, but three of his daughters, though students, have also lent their services as part-time receptionist and in other capacities as needed. Tony also excels as emcee at our campus functions. His amiable nature puts people at ease and makes them feel they have always known him.

As a ministry, Tony's wife, Gail, and daughters, Anna, Lindey and Holly sing and minister at Campus Church and at various school and social events – an anointed, talented family that has won the hearts of those who have seen and heard them. Their voices blend together in four-part harmony as a lovely, sweet-smelling fragrance.

Besides their inspirational singing, this family is one of the friendliest you will ever meet – hilariously funny, warm, real and caring. They not only are a close-knit family, but always exhibit love and compassion for others as well. The two youngest members, Lydia and Connor often bless the Campus Church with a prayer.

Tony McWilliams and his family are an asset and a tremendous blessing here at Christ For The Nations. We are pleased that they came to serve the Lord here with us and have become our dear friends. I would not only *recommend* their ministry but *urge* everyone to experience it.
