

*Thy word is a lamp unto my feet, and a light unto my path.*

*Psalm 119:105*

Dear Gail,

Wow! We were so thrilled to have you as a speaker on Saturday morning at the Ladies retreat. You definitely had a "word" that flowed with the presence and power of the Holy Spirit moving in our ladies for this weekend. Your creative ways of reading God's word, taking notes, and having people get personal with others was AWESOME. I loved having you with us. Blessings on your week and hope this check gives you a smile. We love you!

Blessings,

Joy Headley
